TUESDAY, FEBRUARY 13, 1893.

BRANDON BUDGET.

tiam 20° below, and very eften it has stood at 41°. The seasts are expected every dy, they having passed Minneapolis about the 1st inst.

The parties engaged in making arrangements for winter areas have received word from Winnipeg saking them to select aday for the races coming immediately after the most to held a Portage la Prairie, and it is mabble that this will be deceded upon. Five of the Brey men, and other interested in centring goot races have agreed to clear rack at their own expense, and have certained in readiness for god races. The committee appointed to convex the city report that they are meeting with aplendid annease that the races are now a instead.

Mr. Paner, Read Moster, C. P. R., informs a that in the lest few days he has succeeded in collecting for the injured man Bonnand he following sums:—Section men at Douglas.

10, et Chater 24 50, at Brandon West 24.25, translon yard, \$14.50, mixing in all a total course of the control of the

SPECIAL NOTICES

CORRESPONDENCE.

penhanse on an appropriate and it will receive due attention. Communications should be reasonably brief and to the point, while publishing letters on subjects of publishing letters on subjects of publishing terrer, the Mart. will not necessarily be always re-monable for the epinions of its correspondents.

There were eleven bags of mail for the acid City route yesterday.

The train from the west was two hours late interest, the Mar. will not necessarily be always a technique, that from the east on time.

A later has been received signed by Mystic which will be published in our ext.

The oil kemp which Mr. Morion is introducing was on exhibition in the Mart office last light and bursed splendidly.

The new Withched & Whitiaw are receiving are ensignments of goods, and will open pith West End Store in a few days.

The cuncil are moving to have the city harver so amended as to have the property in offication reduced from \$500 to \$200 to \$200 to abile an electron to vite.

Mr. A. M. Hrouts tender for the cretion is a could have for the public school being he lowest, the contract has been awarded hat good email.

Westerday an Indian found a parcel of conting on the street and took it to the part is a salier, where the chief found it was illressed to Go. Munroe, and he notified the good tenus.

The hy-law for regulations of streets and being along the hydraulic poperties of steam engines of the spectrum and the express agent, that is expertent and the spress agent, the factor of the contract has been awarded the first of a dollar ach.

The hy-law for regulations of streets and the spreas agent, the factor of a dollar ach.

The hy-law for regulations of streets and contract howes of streets and collar ach.

I wish to se descrining men receive their just day, and do not defined Mr. Jenning-wind the productions of the first pure for the factor in much method in the contract hours of the contract to the contract has been awarded the house Indian to the category of the spread of t

of whom rewarded the howest Indian to the extent of a dollar canh.

The hy-law for regulations of streets and thoroughtars of the city being illegal owing to its not being assled by the scal of the city on the right on the right of the city being illegal owing to its not being assled by the scal of the city on the right on the right of the corp attorn one coming t. hand, a my based in the same position. I thought it sweet most being passed to fill its place. The question which will now arms is, will past convictions not rise up in judgment against the council.

It may not be generally known, but it is city never holes a fact that as the charter of the now stands the hotels are licensed to all in must be drank on the premises. This is all that an old tope could distript and two fill of the council of the c
